

PENREN this Week

January 5, 2004

Wedges 2-5 Renovation

Wedges 2 through 5 encompass 4.5 million square feet of Pentagon space to be renovated by 2010.

Working on the next Phase of Wedge 2...

A picture of a Wedge 2 office undergoing demolition...

A worker installing a protective barrier to keep construction dust and debris away from occupied spaces in Wedge 2.

Carpenters erecting a temporary wall for A-Ring access in Wedge 2.

Pentagon Athletic Center

The PAC will replace the existing 58-year-old Pentagon Athletic Facility with a 127,000-square-foot facility that meets membership fitness and readiness needs. The facility will be located at basement level underneath and adjacent to the Pentagon's Mall Terrace.

A view of the future basketball court, as preparations are made to install the new maple wood flooring.

Outside, workers installing an expansion joint on the Mall Terrace level.

More info on this project can be found at:

Pentagon Renovation Program

"MEET THE RENOVATORS"

Jim Godfrey, Project Scheduler

Jim brings almost a decade of experience in construction, management and software development to PENREN. As the project scheduler for Roads & Grounds, Intake-Outfall and CCSP projects, Jim provides expertise in the areas of project controls, scheduling, analysis, and earned value management to support various IPT leaders.

In his own words: "I especially like that fact that I get to work on so many different projects and work with so many different people. This keeps my job fresh and interesting every day."
